

2022-23 Undergraduate Research Fellowship Application – Preparation Template

Deadline: February 3, 2022

NOTE: Both the student applicant and the mentor should use this form to gather the information needed to complete the online fellowship application. Once the information has been gathered, the student should go to <https://aub.ie/urfellowship> to begin the process. Information can be cut and pasted into the online form. Once the student section is submitted, the mentor will receive an email and link to complete the mentor portion. The mentor section requests a student appraisal; a separate letter of recommendation is no longer required. **Please be aware that you cannot save the online application and return to complete it at a later time.** We strongly encourage you to use this template to prepare a draft application with your information before you begin the online submission process.

Application Instructions:

The fellowship application will be completed and submitted online. A complete the fellowship application consists of two components: A student section* and a faculty mentor section. Students will complete their section of the form and submit it online; the application will then be automatically forwarded to the mentor for completion.

Questions? Email undgres@auburn.edu

*Note: Engineering students only—submit a brief *Letter of Intent to Apply* by December 16, 2021, to ferguje@auburn.edu.

Fellowship Application: Student Section
